From the Principal's Desk.....

The year 2020 marked the sad demise of our very dear Founding President Dr. S. Kalbe Sadiq and Former Secretary Brig. Yawar Husain. The bolt from heaven shocked the entire Unity fraternity to the core. I convey my deepest condolences to the bereaved families, and pray to God for the departed souls to be in Eternal Peace...!

I remember Late Kalbe Sadiq Sb. as a great scholar, a visionary leader, an educational reformer, and above all, a messiah of the downtrodden whose scholastic, medical, social and charity programmes transcended communities. He staunchly advocated excellence in education besides propagating values of secularism and interfaith camaraderie, the likes of whom the world may never see again. He waged a country-wide war against illiteracy and poverty which he believed as the worst enemies of mankind. His vision of 'Meaningful education for all' mobilised his mission to help create a society of educated people who will rise above socio-religious and sectarian level and serve fellowmen and the Nation. He always urged the students to excel in examinations and become role models for the entire country. Though he has gone to the great beyond, his legacy will always inspire and guide us. Now it is our duty to take forward his already established progressive institutions and live up to his legacy of education par excellence.

Finally, it is my earnest appeal to our teachers, students and parents to pay tribute to our reverend Founding President and glorify his dreams by accelerating his great projects to the pinnacle. Be sincere, honest and committed to his philanthropic mission...!

UNITY MOURNS THE DEMISE OF ITS FOUNDING FATHER

“फ़खरे मिललत जिगरे क्रौम हकीमे उम्मत
सारे अलक्राब के हक़दार थे कल्बे सादिक साहब”

Unity College expresses its deepest condolences and anguish at the sad demise of its Founding President Dr. S. Kalbe Sadiq on 24th November, 2020. The world knew him to be an eminent scholar, reformer, educationist and preacher, but in the true sense, he was much exalted than these honourable titles and designations.

Vice President of the All India Muslim Personal Law Board and a Shia-Cleric, who always stressed on communal amity and education, was loved and admired not only by the community but also by the people of all sects and religions. Indeed, he was the father figure of the common man, the patron of the underprivileged and above all, the ambassador of quality education on modern lines. He staunchly believed that education and only education can uplift the downtrodden and the poor. Being a philanthropist and a Pioneer in the true sense, he devoted all his life in providing educational assistance and scholarships to the underprivileged ones. TMT, Unity College, Unity Mission School, HIZA Hospital, Medical Colleges and many such charitable institutions and constructive projects were running under his supervision. His services to mankind will be remembered for many more years to come. No doubt, he is rightly called the 'Sir Syed of Today'.

Born in the family of the Khawandah-e-Ijtihad, he was a seeker of knowledge, a voracious scholar, a compassionate human being, a pious devotee of his beliefs and an amazing negotiator, a great motivator and above all a true leader of the masses whose respect and following transcend communities. Fondly addressed as Janab, he was not only a great educational reformer but also a symbol and a staunch supporter of Unity, Brotherhood and Bonhomie among communities. What distinguished Sadiq Sahab from other religious scholars was his ability to reach out to people across communities and be vocal about his views. He would never shy away from controversial subjects.

In him we found a beautiful blend of scientific temperament, spiritual depth and an approach to take everyone along. Known for his extreme simplicity and punctuality, he used to endorse, "My watch runs by seconds, not by minutes". Never did a College function begin late nor did he ever speak more than the allotted time. His speeches are gems whether touching the spiritual, academic, economic, social or national issues. In fact, he was a blessing of Allah to humanity. In his glorious life of 82 years, he succeeded to a great extent in accomplishing his visionary aim to educate and empower the community. His death will indeed be an irreparable loss to humanity but the legacy he has left behind and the trail of light of education and brotherhood which he illuminated will keep on inspiring the multitudes. We pray that we are able to live up to his legacy.

We fondly remember him, devoutly pray for his heavenly abode, and pay our richest tribute to his departed soul. May Allah bless his soul with eternal peace as he spread peace and joy all his life! May Allah grant strength and patience to the bereaved family to bear this irreparable loss!

UNITY CONDOLES THE DEMISE OF EX-SECRETARY BRIGADIER SYED YAWAR HUSAIN

Unity College felt a bolt from the blue to know that Brigadier Syed Yawar Husain Sahib left for his heavenly abode on Tuesday, 29th September, 2020. An Army man

from the very spirit, he was indeed an iron man—physically, mentally and professionally.

Brigadier Syed Yawar Husain Sahab joined the Unity Family as Joint Secretary in 2003, then resumed his designation as Secretary of the College in 2004 till 2012. We fondly cherish his memories of him being firm and fearless in taking decisions, dedicated and determined in actions and keenly devoted to the welfare of the College. Being a man of letters his speeches and writings are treasures in literature and are prized by his colleagues and subordinates. He was truly a treasured asset of the College as well as a great source of inspiration for the staff members.

We pay our richest tribute to the departed soul. May Allah bless his soul with eternal peace!

DEPARTURE OF AN ARTIST

The sky was painted with colours of grief.

The large congregation was speaking volumes about the personality.

The hearts got numb.

The eyes burst into tears.

This happened when the soul of an angel was departing from this world. He was our beloved and respected Janab Maulana Kalbe Sadiq Sahab- a godly person, a helping hand, a wall of support, a man of revolutionary ideas, a father to the orphans and a propagator of education. I feel short of words to speak

Sketch by: Jalal Abbas
Ex-Student Unity College II Shift

about his excellence which is beyond any description of words. It will take centuries for someone as great as him to exist. His benign presence would be the soul of any gathering. His mere words would spark the minds of the listeners and one could not afford to even miss the pauses taken by him whilst giving a speech. He was known for his exceptional oratorical ability.

He was an exceptionally good artist too. He had envisioned a painting wherein he had wished for the welfare of the masses. He imagined intellectual youth, so he took his brush and painted educational institutions. He imagined a wall on which anyone could lean for support, so he envisaged himself as that wall. His thoughts on unity and brotherhood must not be overlooked. He painted the dreams and future of a number of students and brought it to reality.

“Sir, you have used the best shades to paint your vision and we are fortunate enough to be a part of your painting. Your physical presence will no more bless us but your memories, your views, your ideas and your motives will forever be immortal in our minds and hearts!

and progressive scholastic reforms. Ms. Shalini, Principal - Raj Kumar Academy said that it was now our turn, to work for the cause led by this great soul who least of all bothered to propagate his name but kept on working silently for the betterment of humanity.

Addressing Janab as Hakeem-e-Ummat, Mehdi said that Janab found the solution to all problems in education and followed what our Prophet (S.A.W.) propagated, that it is obligatory on every man and woman to acquire knowledge. By gaining education, one gets both Deen and Duniya. He waged a war against ignorance and poverty and earnestly committed himself to disseminating knowledge among all, especially women and the poor. A gloomy and dismal aura prevailed all over the gathering.

Prof. Riaz Mehdi Sb. highlighted Janab's punctuality and scientific temperament. He motivated all to acquire knowledge that serves humanity, encompassing both Deen as well as Duniya.

Mr. Najmul Hasan Rizvi Sb., Janab's son-in-law, told that TMT was set up by Janab to eradicate ignorance and poverty. The trust has been working relentlessly to visualize Janab's vision and mission for education, healthcare and rehabilitation of the underprivileged. Now we have to carry his legacy forward for the development of the community and the nation.

Maulana Aqeelul Gharavi Sb. shed light on Janab's vision for comprehensive community development, his great personality, his modern outlook and promising work models. He said that spirituality cannot be achieved in the absence of in-depth knowledge.

Maulana Arshad Husain Moosvi Sb. brought to light Janab's extensive work to promulgate the learning of Theology. He proposed the vote of thanks to all the distinguished Islamic preachers, educationists and reformers.

The poignant session of acknowledgment, gratitude and resolutions culminated, but not the story of the Second Sir Syed Ahmad Khan. He will remain all alive in the hearts of his steadfast followers, the driving force to follow by the generations to be.

Dr. S. Kalbe Sadiq's Will

In the name of Allah the most Merciful Beneficent

Imam Ali (AS) said: Ulma remain until the day and night remain

Some of the important points in the will of Maulana Dr Syed Kalbe Sadiq Naqvi sahib concerning sending of spiritual reward (isaal e sawab) to him:

1. The holy Quran to be recited as much as possible.
2. The majalis e isaal e sawab should be recited by a scholar whose speech is based upon the teachings of holy Quran and Ahlul Bayt (AS).
3. If any scholar is not available for the majalis then Marsiyas of Mir Anis be recited.
4. The majalis e isaal e sawab must be very simple.
5. If a person seeks to arrange isaal e sawab, he may accept the sponsorship for the education and upbringing of a deserving and needy child.
6. I enjoin to the students pursuing religious knowledge that they should work on the obligations, which I could not complete, only for the pleasure of Allah, without any fear, with complete sincerity and relying only on the true God with courage to attain a better society.
7. Let every person raise the standard of his / her education and knowledge to bring about improvements in the condition of the community.
8. And my last will and testament is to make attempts to unite hearts in humanity so that brotherhood is maintained and we can progress in the atmosphere of mutual brotherhood to bring about a better society and a better world.

A cleric, educationist, philanthropic, and an epitome of simplicity and good humour, this short-statured, frail human being had the will of iron and vision beyond his times.

Born in 'Khandam-e-Ijtihad' of the Shia sect, titled 'Hakeem-e-Ummat' (Healer of the community), he offered balm to the entire human race and held the flag of true high wherever it was needed.

The Maulana wisely used religious scriptures to illustrate virtues of brotherhood, peace and benefits of education as a tool for empowerment and prosperity. کچھ افراد اپنے لازوال کارناموں کے سبب دنیا میں اپنی ذات کو ایسا مقام عطا کر دیتے ہیں کہ اسے حقیقی معنوں میں بیان کرنا انسان کے لئے ناممکن سا محسوس ہوتا ہے۔ ایسی ہی باوقار اور اعلیٰ شخصیت کے مالک تھے جناب ڈاکٹر کلب صادق صاحب۔ جن کے انتقال کی خبر کے تصور سے ہی آنکھیں نم ہو جاتی ہیں کہ آج وہ ہمارے درمیان نہیں ہیں۔ میری نظروں سے ایسی شفیق اور ہمدرد ذات اب تک نہیں گزری۔ وہ انسانیت اور امن کی زعمہ مثال تھے۔

جناب ڈاکٹر کلب صادق صاحب کسی تعارف کے محتاج

نہیں۔ علیگڑھ مسلم یونیورسٹی سے تعلیم حاصل کرنے والے اس نوجوان نے لکھنؤ کے ایک پُر وقار اور ممتاز خاندان میں پرورش پائی تھی۔ ابتداء سے ہی علم اور ادب سے وابستگی رہی۔ اپنی علمی صلاحیتوں کی بنا پر وہ مسلم پرسنل لاء بورڈ کے نائب صدر کے عہدے پر فائز ہوئے۔ اس کے علاوہ انھوں نے جو اہم کام انجام دیئے ان میں توحید المسلمین ٹرسٹ کی بنیاد رکھنا، مختلف تعلیمی اداروں، مثلاً یونی کالج، کی بنیاد رکھنا اور ان میں اعلیٰ تعلیم کا انتظام کروانا تھا۔ توحید المسلمین ٹرسٹ کے ذریعہ انھوں نے یتیم اور غریب طلبہ کو اسکالرشپ دیکر انکی تعلیم کی ذمہ داری لی اور غریب گھرانوں کی پرورش بھی کی۔ انکی ان خدمات اور قوم کے لئے اس خیال کو دیکھتے ہوئے انھیں جدید دور کا ”سرئید“ بھی کہا جانے لگا۔

جناب کا خیال تھا کہ دنیا کو جنگ یا نفرت سے نہیں

بلکہ محبت اور اہنایت سے باآسانی جیتا جا سکتا ہے۔ وقت کی پابندی اور تعلیم کی اہمیت کا درس وہ زندگی بھر قوم کے نوجوانوں کو دیتے رہے۔ کلب صادق صاحب اپنے ملک اور قوم سے بے لوث محبت کا جذبہ رکھتے تھے اور انکی کامیابی اور فروغ کی خاطر ہمیشہ جہالت و فساد کے خلاف لڑتے رہے۔ یونی کالج میں سیکنڈ شفٹ میں غریب بچوں کو مفت تعلیم دینے کا خواب بھی انھوں نے مکمل کر دکھایا۔ آج اس اسکول میں ہزاروں کی تعداد میں بچے اور بچیاں مفت تعلیم حاصل کر کے اپنا اور اپنے خاندان کا نام روشن کر رہے ہیں۔ پابندی وقت کے متعلق انکا بیان تھا کہ ”جو وقت کا پابند نہیں ہوتا وقت اسے پیچھے چھوڑ دیتا ہے۔“

کل ملا کر جناب ڈاکٹر کلب

صادق صاحب ایک اعلیٰ کردار شخصیت، عالم، مصلح، مقرر اور بہترین رہنما کی حیثیت سے رہتی دنیا تک یاد کئے جاتے رہیں گے۔ انکے کارنامے تمام لوگوں کے دلوں میں مشعل راہ کی مانند ہمیں یہ یاد دلاتے رہیں گے کہ اگر انسان نیک نیت اور سچے دل سے کچھ حاصل کرنے کی کوشش کرے تو وہ یقیناً کامیاب ہوتا ہے۔ میں خدا سے دعا کرتا ہوں کہ ہماری قوم کے لوگوں کو اس عظیم شخص کی رحلت کے غم کو برداشت کرنے کی قوت عطا کرے اور انکے بتائے ہوئے راستے پر چلنے کی توفیق دے تاکہ ہماری قوم میں ایسے کئی کلب صادق نظر آئیں۔ آخر میں میں علامہ اقبال کے اس شعر سے اپنے کلام کو تمام کرنا چاہوں گی کہ
