2021

FROM THE PRINCIPAL'S DESK.....

The New Year Sun illuminates a fresh spark of hope, joy and positivity in the world around us. Moreover, it throws another chance to carry forward our goals, and work upon our previous mistakes and failures as well.

Despite the unprecedented hard times of the pandemic, we successfully carried forward our mission in academics, though the last two years had been a rollercoaster of constraints between the online and offline lessons. Challengingly, once again the danger of omicron is looming large. And the world came to grips with the New Normal and the Hybrid Modes. I shall appeal to the teachers and parents to give emotional support to the young children since their mental health is equally important as their physical one. And I shall urge my dear young learners never to breach safety norms like wearing masks, washing hands frequently, keeping social distance, and following a nutritious diet. No doubt, 'Sweet are the uses of adversity'. Believe in yourself, be brave, optimistic and patient, and make utmost use of the learning opportunities. We look forward to grabbing all the possible opportunities for the betterment of Students, Staff and the College.

Let's keep aside our worries and fears, I am sure 2022 has a lot in store to make us jubilant.

I wish you all a Healthy, Peaceful and Prosperous year!

INTERFAITH TALK

“Blessed are the peacemakers.” -Mathew 5: 9

Unity College most graciously welcomed Rev. Fr. (Dr.) Donald De Souza - Parish Priest of St. Joseph's Cathedral Church, Lucknow and Manager of the two prestigious city schools- St. Francis College and

Cathedral Sr. Sec. School for an Interfaith Talk on 21st December, 2021. The 'Interfaith Talk' has been in a series of enlightening discourses scheduled by the College with the prime objective to enlighten the students about the importance of interfaith and religious harmony.

Principal Mr. Francis Castelino warmly welcomed Rev. Fr. (Dr.) De Souza. He said the hallmark of every religion is peace and motivated the students to study other religions too in order to live in peace and harmony.

Rev. Fr. De Souza shared some reflections on the teachings of Jesus Christ. He said that we all know the world today needs peace and harmony. There is so much turmoil all around us; constant fear of war among nations, skirmishes between nations or within a nation. In such an atmosphere, the whole being of Christmas becomes very relevant for it is a message of Peace, Joy, Love and Brotherhood. We all are called upon to practice the same in our daily life. He also shed light on the references of peace in the Old as well as the New Testaments and the four versions of the Gospel. All through, the Bible speaks of peace and that the Lord blesses His people with peace.

He further reflected on the tremendous similarities between both the faiths that have more in common than that which separates them. He concluded with Christmas greetings and wished the young citizens to become the messengers of peace.

It was followed by a rich discourse of students with Rev. Fr. De Souza.

College Jt. Secretary Dr. M. Talha gave a vote of thanks. He said though every religion speaks for peace, there is a dissonance between what we say and what we do. History stands witness that religious people are not always peace loving. Many men like Hitler and Saddam Hussain were very religious; still they had been very cruel to humanity.

The discourse of Peace and Harmony culminated on the universal note- 'Love to God is love for His creatures'.
